Uwajimaya Family Recipe

Kasuzuke Black Cod or Salmon

Kasuzuke is a traditional Japanese method of preserving and flavoring food, using a paste made from sake lees called "kasu." We brine black cod and salmon for 1-2 days, then marinate in our family kasuzuke recipe for 48 hours. The result? A buttery, tender fish with sweet and savory flavor!

READY in 15 MINUTES!

Bake at 400 degrees for 12 minutes. Broil for 2-3 minutes until golden brown.
